The first 100 years of settlement in Colborne - Lakeport area were dominated by the Keelers . The prominent Keeler names were Joseph Keeler, "Old Joe", 1763-1839: Joseph A. Keeler, "Young Joe", 1788-1855 and Joseph Keeler, M.P., 1822-1881.

There were and are, of course, other members of the Keeler family, but the records and information that survived at the end of the 200 year period centres around the above three names: father, son and grandson.
