How we work and how we play together

How we interact and communicate with those we serve

How we make our community accessible for all

Effective Date: January 1, 2014

Employees Covered: All

Council Adoption: December 17, 2013

Person Responsible: Chief Building Official

Last updated December 16, 2014

The Township of Cramahe Multi-Year Accessibility Plan

This accessibility plan outlines the actions that the Township of Cramahe will put in place to improve opportunities for people with disabilities. The Township of Cramahe Multi-Year Accessibility Plan outlines a phased-in strategy to prevent and remove barriers and addresses the current and future requirements of the *Accessibility for Ontarians With Disabilities Act, 2005*. The Township of Cramahe will report annually on the progress and implementation of the plan, post the information on the municipal website and will provide it in alternative formats upon request. The plan will be reviewed and updated at least once every five years.

Statement of Commitment

The Township of Cramahe is committed to treating all people in a way that allows them to maintain their dignity and independence. We believe in integration and equal opportunity. We are committed to meeting the needs of people with disabilities in a timely manner, and will do so by preventing and removing barriers to accessibility and meeting accessibility requirements under the Accessibility for Ontarians with Disabilities Act.

Accessible Customer Service Standard (Ontario Regulation 429/07)

Project	Due Date	Status	Methodology
Accessible Customer Service Policy	January 1, 2010	Completed Adopted By Council April 21, 2009	Accessible Customer Service training is to be provided to all employees within 60 days of hiring. Employee training will review the purposes of the Act and the requirements of the Regulation covered under the Cramahe Accessible Customer Service Policy . Four principals that will guide this training for accessible customer service are dignity, independence, integration and equality of opportunity.

Design of Public Spaces Standard (Ontario Regulation 413/12)

Project	Due Date	Status	Methodology
Recreational Trails and beaches Outdoor public use eating areas Outdoor play spaces Exterior paths of travel Maintenance	January 1, 2016	Not Started	<p>Staff in all departments involved in new and redeveloped projects covered by this regulation will need guidance in applying the Design of Public Spaces Standard. A municipal procedure is not yet written.</p> <p>The requirements for the Design of Public Spaces are enacted through an amendment to the Integrated Accessibility Standards Regulation, and therefore apply throughout the province.</p> <p>The regulation includes minimum requirements and can be exceeded if a municipality chooses to do so.</p> <p>Simply following the standard will not be sufficient. Procedures to guide staff shall include consulting with the community.</p> <p>The intent of the consultation process is to make sure that people with disabilities have a chance to voice their thoughts on how accessible public spaces are constructed or designed and what type of experience it should provide.</p> <p>Inclusive and accessible consultations provide the Township with valuable insight into people’s diverse needs. Consulting with people with disabilities will help to identify, remove and prevent accessibility barriers that may not be easily recognizable and allow the Township to better meet the needs of our community.</p>

Review of Existing Public Spaces

Project	Due Date	Status	Methodology
Recreational Trails and beaches Outdoor public use eating areas Outdoor play spaces Exterior paths of travel Municipal Buildings	January 1, 2019	Not Started	<p>Staff involved in the maintenance of public spaces have an opportunity to make changes. Guided by the Design of Public Spaces Standard, a plan can be put in place to move forward to make accessibility improvements in small increments</p> <p>Simply auditing existing spaces will not be sufficient. Procedures to guide staff shall include consulting with the community.</p> <p>The intent of the consultation process is to make sure that people with disabilities have a chance to voice their thoughts on how existing public spaces can be improved and what type of experience it should provide.</p> <p>Inclusive and accessible consultations provide the Township with valuable insight into people’s diverse needs. Consulting with people with disabilities will help to identify, remove and prevent accessibility barriers that may not be easily recognizable and allow the Township to better meet the needs of our community.</p>
